The Triumph of the Creative Spirit

Promega BioPharmaceutical Technology Center, 5445 East Cheryl Pkwy. Reception: 4:30-6:30 pm

Subtitled "Visions From Two Continents, Two Cultures," this exhibition spotlights artists who've overcome exile and poverty. It features painting and sculpture by Francis Nnaggenda, who was chased from Uganda by Idi Amin; and works by 10 self-taught African American artists from the rural South.
